Message from Lisa Schilling—Huntcliff Executive Director

It's hard to believe we are already into the Fall season! This year has gone by so quickly. This month we will be conducting the annual apartment inspections. This is required by the City of Sandy Springs and has been in place since 2008. In the past, 20% of the apartments were inspected each year by a city approved inspector, resulting in each apartment being inspected once every 5 years. This year, the requirement has changed to 100% of the apartments being inspected each year. We will be conducting these inspections on October 14th and 15th and October 21st and 22nd. The inspection should take 10-15 minutes per apartment. A Huntcliff Team Member will be accompanying the inspector. More detailed information will be coming prior to your inspection date.

Thank you in advance for your cooperation!

Lisa
